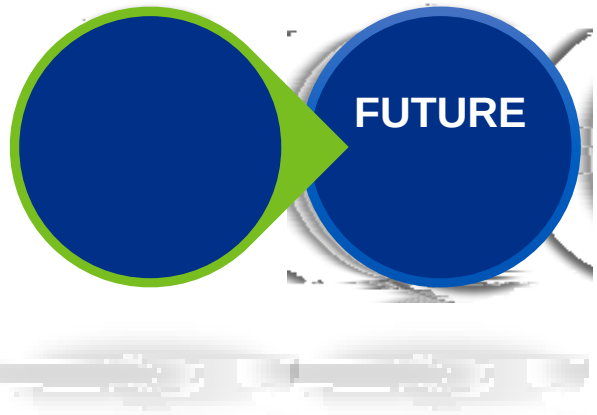
Clinical Presentation Orthopaedics

Mr Leonidas Vachsevanos

Mr Ivor Vanhegan

Mr Jonathan Quayle

O/re 48.024 Tf1 003(



FUTURE

2010

- A new approach since 2010 to enable earlier recovery after surgery
- A fully structured and well organised sequence of clinical care.
- Requiring planning and pre-operative assessment
- Changes to anaesthetics and surgical techniques
- Early mobilisation and discharge
